CLUB NEWS

- ☞ **Guest...** Jake Joseph invited our presenter for the morning, Chris Coleman.
- ☞ **Social...** John Konior only has two tickets left for this summer's presentation of "Jersey Boys" at the Civic Center. The award-winning play based on the career of one of the most successful rock 'n roll groups of the 1960's, The Four Seasons, is already proving to be a tough-to-get ticket. Let John know now if you're interested in the last two tickets of the block purchased by BCI.
- ☞ **February 19th Meeting...** Brenda Roe-Weaver has volunteered to present at the previously "open" meeting. She will talk about her new job with ADP.

PROGRAM

BCI member, Jake Joseph, is on the board of the Better Business Bureau (BBB) and invited the president of that organization, Chris Coleman, to present at the last meeting.

Chris has led this non-profit business association, for the last five years. The BBB has had a presence in Iowa for over 70 years and has a state-wide membership of over 3,000. Each business applying for membership must agree and adhere to the BBB Code of Business Practices.

Their mission is to be the leader in advancing marketplace trust. The BBB database contains reports on over 13,000 Iowa companies that are graded on a scale from A to F. Anyone can access these reports to evaluate a business they are considering using. The BBB fielded about 10,000 complaints last year and can mediate these situations.

Thanks to both Jake and Chris for an informative and entertaining presentation.
