CLUB NEWS

- ☞ **Guest...** Kristi Peterson, our co-presenter for the morning, was invited by Brenda Roe-Weaver.
- ☞ **Social...** John Konior still has two tickets left for this summer's presentation of "Jersey Boys" at the Civic Center. The award-winning play based on the career of one of the most successful rock 'n roll groups of the 1960's, The Four Seasons, is already proving to be a tough-to-get ticket. Let John know now if you're interested in the last two tickets of the block purchased by BCI.
- ☞ **If You're So Inclined...** Ernie Barnes announced his daughter will be part of a trip to lend aid to the earthquake victims in Haiti. She has to pay her own travel expenses so if you'd like to make a contribution to help defray those expenses, please contact Ernie.

PROGRAM

Veteran BCI member, Brenda Roe-Weaver, joined the sales department of ADP (Automatic Data Processing) last November. She invited her manager, Kristi Peterson, to help her present the services provided by her new employer.

Most probably think of payroll processing when the hear of ADP. Starting the company with that service over 60 years ago, they have since expanded into many other areas including time and attendance management, HR and benefits administration, compliance and tax, and more. With rapidly changing regulations it's tough for companies of any size to stay up to date. ADP helps reduce labor costs through technology, ensure employee satisfaction, and keeps their clients in compliance.

Thanks to both Brenda and Kristi for enlightening us on ADP.
