PROGRAM

Karen Novak Swalwell invited our speaker for the morning, Norene Mostkoff, President and CEO of the Hospice of Central Iowa. Karen had the honor of searching for and placing Norene in her new position at Hospice.

Hospice of Central Iowa is the largest in the state serving 35 counties, 8 locations, 300 patients, 250 employees, 600 volunteers, with an annual budget of \$25 million.

Hospice is a resource for patients and their families. As Norene so aptly put it, "It's about life and living, not about death and dying."

Many thanks to Norene and Karen for informing us about the valuable organization.
